Long Term Services & Supports

Promoting Choice and Independence

Seniors and persons with disabilities receive help to live in their communities as independently as possible through services offered by aging and disability services. Our professionals help people access available home and community-based services and possible funding sources so that they can remain in their home longer and prevent or delay institutional care.

To make a referral to Hennepin County's "front door".

Call the access and initial consultation phone number at **612-348-4111** and select **option 1 for English then 0 for Front Door.**

- General inquiries and consultation do not need the specific person's information.
- Referrals for in-person assessments require the following:
 - 1) Person's name, birth date, Social Security number, address, phone number and contact information
 - 2) Income, asset, and health insurance information
 - 3) Summary information on health and functioning level

Funds Available for Person Centered Planning

Funds are available now. Person centered planning is an interactive planning process which helps a person with disabilities prioritize their life goals. Certified facilitators use various person-centered planning tools to document the person's life plans and goals. County funds are available for those not open to home and community-based waiver funds. You may also access planning funds through the service [family training and counseling services](#) if you have waiver services.

County funds are focused on transition age students (18 to 23) with an Individual Education Plan with or without a Hennepin County case manager. Funds are available on a first come first served basis. To enroll contact your case manager or email jerry.mellum@hennepin.us for information or request training information below.

It's Working!

It's Working! This flexible, creative and unique, self-directed vocational work program that is county funded. A program for those who currently don't have home and community-based waiver services. This program enables you to become the employer of your own staff, you write your own plan and identify vocational services that will help the person with a disability find and maintain employment. The program is for people with developmental disabilities who have case management and currently aren't open to wavier services. **If you qualify there is currently no waiting list.**

Program criteria

- For those people with disabilities age 14 to adults who don't have waiver services and have DD case management in Hennepin County.
- The program can pay for staff support, vocational assessments, on the job training, goods related to work, job searches and technical assistance and more. It has helped several people start their own business.

Who will benefit from the information? Case managers and interested participants who don't currently have waiver services, are ages 14 through adulthood and have a county or contracted case manager for developmental disabilities, and/or related conditions.

Subsidio de respaldo al consumidor hispanohablante (CSG, por sus siglas en inglés)

CSG es una alternativa a los servicios de ayuda del cuidado personal (PCA) y cuidado domiciliario (MA). Este subsidio es administrado por la persona, el cuidador o padre de familia. El subsidio CSG permite a las personas inscritas acceder un grupo de servicios de ayuda con el presupuesto de CSG. Por ejemplo: dietas especiales recetadas, terapia artística, terapia musical y personal de ayuda. La capacitación en línea (por Internet) es en español y explicará como la persona puede tener acceso a este programa y como utilizar los fondos distribuidos.

¿Quién debe asistir?

Las personas que asisten a esta capacitación deberán tener el servicio de asistencia médica y tener una evaluación actual PCA. Favor de tener el número de asistencia médica de la persona y una copia de la evaluación PCA más reciente.

¿Cómo inscribirse y asistir a la capacitación?

Debido a la pandemia del COVID-19, CSG ha cambiado sus capacitaciones a una plataforma digital (por Internet). Para poder iniciarse en CSG, usted tiene que capacitarse.

Si está interesado(a) en hacer la capacitación CSG, se pide que escriba al correo electrónico de abajo, para que reciba los materiales de capacitación. Tenga en cuenta que, la mayoría de esta capacitación se puede hacer con un teléfono inteligente. Si tiene alguna otra pregunta o si necesita ayuda, comuníquese con el personal de CSG y con mucho gusto lo ayudaremos.

Family Support Grant (FSG)

The Family Support Grant (FSG) program provides cash grants to families of children with certified disabilities. The goal is to prevent or delay out-of-home placement of children with disabilities and promote family health and social well-being by providing access to family-centered services and supports specific to the child's disability.

This session will explain the basics of the FSG program and how to complete the application to ensure program compliance.

Who Should Attend? Case managers and families who want additional information to apply for their eligible child.

Eligibility Criteria:

- Person must be under age 25
- Must live in biological or adoptive home, or transitioning home from a temporary licensed residential facility if grant is awarded
- Family income must not exceed \$116,327 (income verification is required, such as, check stubs, W-2's, tax returns, public assistance approval letters)
 - Except in cases where extreme hardship is demonstrated
- Must be currently disabled through one of the following ways:
 - Social Security Administration (SSI)
 - State Medical Review Team (SMRT)
 - May be qualified through a MnCHOICES Assessment and have a Lead Agency Rule 185 DD Case Manager
 - Children who are working with a CMH case manager

Note: Families receiving services under the Developmental Disabilities Waiver, Community Alternative Care Waiver, Community Alternative for Disabled Individuals Waiver, Brain Injury Waiver, Consumer Support Grant or Personal Care Assistance are not eligible for the Family Support Grant.

Please reach out to the FSG team to request the electronic training session by emailing hsph.ads.fsg@hennepin.us or calling 612-348-2939.

Due to the COVID 19 Pandemic, FSG is moving to a new, online format. We appreciate your patience.
